My Story

This heavily-stocked string of lakes is FULL of trout and bass of small to medium size. I'm also told that the catfish are good too. For bass, go to the Northern most lake, and get right up next to the overhanging palm trees. Every Year, these trees are trimmed, and the workers throw the palm fronds into the water. Not surprisingly, these fronds make excellent cover for bass. Jerkbait has worked best for me, and jigs work almost just as well. The other lakes can be dredged for trout and cats, b
