Fishing Report

My Story

i went deep sea fishing with my boy scout troop it was alot of fun everyone on the boat caught atleast three keeper fish. we used squid minnows and mackrel that we accedently caught. red hooks for some reason worked really well. my scout leader was using red hooks and he caught the most fish and the biggest on wich was atleast 6 pounds it was a grouper of some sort. great fishing would deffinatly do it again. it was about 200ft deep you had to get line on the bottom before the mackrel got to it.
