My Story

Milwaukee Fishing Lake Michigan Salmon Reports 4/28/2008 By Capt. Jim Hirt Heavy rain on Friday turned the water chocolate brown and shut down the harbor Brown trout fishing on Saturday and Sunday. We marked fish but they would not bite inside the harbor. We had our best action working 30 to 40 feet of water outside the break wall between the main gap to the north gap. We also fished the temp breaks in front of the harbor gaps and marked fish at all depths with good success. Church Mini
