Fishing Report

My Story

Shhh. This spot is VERY special, and holds some HUGE bass, to most people it looks like an unassuming, unfishable golf course pond. But in reality, it's chok-full of hungry, lunker-sized bass the best lure types are: Trale Tparts, and 10;9;7;14. These lures are the only ONLY ones which produce consistently, so just try and decode them!!!
