Fishing Report

My Story

If you head West from McAvoy's you can find a spot to park your car. Head out through a field and then you will know if you hit the right spot if you come to a makeshift bridge. Head to the edge of the water start your fishing. When the strippers are at the beginning or end of the run this is a sure fire spot to catch the big one. This place is very seldom fished as it is so hard to find. Use nothing but grass shrimp, smallish hook and only one shrimp on the hook. Use string to secure the shrimp
