### **My Story**

i fished this with my cuz a couple time and PLEASE make sure you have a decent boat if you go out on this lake because we went out on it in my cuz's narrow bottom jon boat with like a 3 horse motor and it was windy as hell,cold and didnt catch anything that day also thought we were gonna get sunk from the huge wave's so just be cautious when you go out on a big lake like this and it's windy. im not sure if thats the exact location but it's close to merom,its the power plant in the town.
