Fishing Report

My Story

After an incredible fishing adventure in Corcovado in the southwestern region of Costa Rica where we caught tarpon, we took a few days to drive up the coast. We enjoyed a morning sunrise fish before taking a ferry over to Mal Pais and Carmen for more fishing. Fishing from the coast was challenging, as the shores are rocky and the surf is intense. You're best best is to hire out a charter boat rather than to fly fish from shore.
