My Story

CAYO LARGO

Cayo Largo is in the South Central region of the Cuban Archipelago, one of the last virgin spots left on the planet. Here nature was prodigal in its gifts: beaches and more beaches in its 17 miles (27 Km) of length. But as if surrounding it with fine white sands was not enough. Cayo Largo was given the gift of being eternally caressed by clear and gentle water of incredible hues of blue. When you finally arrive in Cayo Largo you will be surprised to find a natural environme
