### **My Story**

Great warm water fishing. Bass, Catfish, Crappie, Blugill, Carp, Crawfish and the occasional striped Bass. You just gotta go and try this. There is a road (rough) road following the water. Lot's of skeeters too. Be prepared like a boyscout. You can camp along either side of the bypass. Clean up after yourself!!! small boats and bank fishing works as does a float tube. You will be suprised by the fish and the fight you get. bring stink baits and worms. lures work well here too.
