## Fishing Report

### My Story

Christina Lake has both Largemouth and Smallmouth Bass, as well as Tiger Musky, Pumpkinseed Sunfish, Bullhead, Rainbow Trout, Kokanee and Carp. The Smallmouth are pretty small on average, usually around a pound or less, but can get up to 4+ pounds. The Largemouth are decent-sized, averaging from 1 to 4 pounds with some fish in the 5 to 6 pound range. Christina also has good-sized Rainbow Trout to 10 pounds. There are also a few Tiger Musky kicking around, and can get up to 4 feet in length.
