Fishing Report

My Story

Shawnigan Lake is one of the premier Smallmouth Bass lakes in Western Canada, possibly even the best. It offers great numbers of smallies in the 2.5 to 5 pound range, and even holds fish up to 7 pounds with rumours of even bigger fish present. Past tournaments on Shawnigan have given up stringers of up to 28 pounds for a 5 fish winning weight. There are also Rainbow and Cutthroat Trout present which get up to 5 pounds, as well as load of Yellow Perch and Pumpkinseed Sunfish for the kids.
