Fishing Report

My Story

Central Texas anglers live right in the middle of some of the best fishing Texas has to offer, a fact illustrated by a recent trip on Calaveras Lake with guide Manny Martinez. Putting in at the recently renovated public park on the east side of the lake, we motor across to the dam. There Martinez (210/386-6695) ties up to a row of orange buoys. Rods are already rigged with 3/8-ounce silver slabs, and Martinez begins heaving lures as near as he can to the base of the dam, handing off rods to me
