## Fishing Report

### My Story

This place is a nice little local secret (not much longer) but it takes a lot of patience and testing of different baits (Mostly live). We usually ice fish this spot when the river is freezing and the water is a little on the high side. From 17 you need to go over the bridge, then take the railroad access road to the right. Go down to the end of the access road and get your gear. Go up and over the railroad tracks, set your tip ups in between the mainland and the islands, all the way out to
