## Fishing Report

### My Story

Fishing Lake Michigan Temperature Is Key By Capt. Jim Hirt In the last article, we started with the importance of location, tackle, temperature and good record keeping. I also covered some of my key ways to find fish in early spring on Lake Michigan and the hot set ups to keep the rods dancing. Let us now go into more detail on location of temperature breaks and how to work them. The first and perhaps most important is how to find these sometimes subtle temperature changes. Y
